I, Wouter Pollet, Veterinary Surgeon , declare that:

on the 30th of January 2023, I examined the mare Kaidarijke van de Walschot (chip: 528210004306795) with the use of ultrasound. The mare is pregnant and a fetal heartbeat was detected.

The mare was inseminated with semen from the stallion Extreme US on the 22nd of June 2022.

If you have any further queries, do not hesitate to contact me.
