## Veterinary Report

***Re: Horse, female, DOB 10/06/2022, microchip number 958000010874606***

The foal with microchip number **958000010874606** was examined on the 19th August 2022. No heart or eye abnormalities were found, the foal's conformation was good and she was sound on a straight trot up. No other abnormalities were found during the examination.

Kind Regards,

Emma Tune BVMSci MRCVS

Rebecca Fincham BVSc. (Hons) Cert. AVP MRCVS
