 The examining veterinary surgeon and/or veterinary practice shall not be held liable for loss or damage caused as a result of the performance of the examination or as a result of inaccuracies or shortcomings in their preparation of this report, unlocs it has been established that this loss or damage is due to mailce or negligence on the part of the examining veterinary 	
surgeon. 2. The client shall have the sole right to invoke any action due to liability on the part of the examining veterinary surgeon and/ or veterinary practice as described under 1 above. Parties other than the client shall not be entitled to derive any rights to	Thus examined and reported by me:
compensation for damages arising from this examination/report. 3. Liability shall be limited at all times to that amount covered by the veterinary surgeon's professional indemnity insurance applicable at the time of the examination. Details of this coverage in the form of policy documents for this insurance may	DOS (R POROTO ::
he inspected at the veterinary practice premises, and copies of these may be obtained at first request from the veterinary practice at no charge. 4. The provisions printed on this examination report shall also apply in the event the client fails to sign this form, or refuse to	
accept receipt of this examination report. 5. If the client upon whose instructions the examination was performed is not the owner of the horse, the client is wholly	veterinary surgeon in:
responsible for having obtained the owner's concent to all procedures performed during the examination, and the client shall fully indemnify the veterinary surgeon in respect of any claim by the owner arising from an allegation that such consent was not given.	Inylcor O
6. In the event the client and/or third parties are of the opinion that the health of the horse at the time of the present examination does not correspond to that which is stated in the examination report, these parties must report this to the other parry without delay and in writing (for example, together with the purchase contract), under penalty of the lapsing	Olderza
of every right of action against the examining veterinarian and/or the veterinarian practice, and to hold this party liable for compensation, while also simultaneously providing a copy of this report to the examination veterinarian and the veterinarian	This report can relate only to the appearance on the date of
practice. 7. The laws of the Netherlands shall apply exclusively to any disputes arising from the performance of the examination and/or the completion of the examination report, and the Court of the Netherlands shall retain sole jurisdiction to hear these disputes.	examination: 14-05-202 (
In the event of differing interpretations between the Dutch and English text of these conditions, the content of the Dutch text shall be decisive.
