Eisendorf, 15. September 2020

Veterinary Certification

On 4th and 6th of June 2020 I inseminated the mare „Chacca“ DE 431 310524307 with „Nixon“ van't Meulenhof BEL 002 W 00305680. An ultrasound examination on 22nd of June shown her pregnant. I scanned her again at 9th of September and she was still pregnant.
