Number: E 118343 **Examination report** (Formulated by the Netherlands Equine Veterinary Association of the Royal Netherlands Veterinary Association. The pre-purchase examination was performed using the handbook "De veterinaire keuring van het paard" issue 2007 as a guidance). Signalment Name: Notion of Watermoken Studbook no: 528003201807 Microchip number: 5282100046 Client is: buyer (selle) / other, namely Pedigree: Jesustones tome & Volte Level of training (according to client): Sex: Proposed use (according to client): breeding (sport) Location where the exam takes place; clinic, other, namely_ Coat colour: Height at withers ±: Markings Head: LF: LH: RF: RH: Other: Right side Left side Front limbs Hindlimbs Rear view Rear view Muzzle Evidence seen of possible behavioural vices? yes / no (If yes: detail: Blood collected and put into custody by the examining veterinary surgeon? yes / no Blood sample tested for prohibited substances at client's request? yes / no CONCLUSION: Veterinary pradtice (Star DERSKOTTEN Drs. L.B. Poorthuis dierenarts Thijlaan 6 7576 ZB OLDENZAAL The examining veterinary surgeon and/or veterinary practice shall not be held liable for loss or damage caused as a result of the performance of the examination or as a result of inaccuracies or shortcomings in their preparation of this report, unless it has been established that this loss or damage is due to malice or negligence on the part of the surgeon.

2. The client shall have the sole right to invoke any action due to liability on the part of the examining veterinary surgor veterinary practice as described under 1 above. Parties other than the client shall not be entitled to derive any Thus examined and reported by me: or veterinary practice as described under 1 above. Parties other than the client shall not be entitled to derive any rights to compensation for damages arising from this examination/report.

3. Liability shall be limited at all times to that amount covered by the veterinary surgeon's professional indemnity insurance applicable at the time of the examination. Details of this coverage in the form of policy documents for this insurance may be inspected at the veterinary practice premises, and copies of these may be obtained at first request from the veterinary practice at no charge.

4. The provisions printed on this examination report shall also apply in the event the client fails to sign this form, or refuse to accept receipt of this examination report.

5. If the client upon whose instructions the examination was performed is not the owner of the horse, the client is wholly responsible for having obtained the owner's consent to all procedures performed during the examination, and the client shall fully indemnify the veterinary surgeon in respect of any claim by the owner arising from an allegation that such consent was not given. B Pooptheis veterinary surgeon in: not given.

6. In the event the client and/or third parties are of the opinion that the health of the horse at the time of the present examination does not correspond to that which is stated in the examination report, these parties must report this to the other party without delay and in writing (for example, together with the purchase contract), under penalty of the lapsing of every right of action against the examining veterinarian and/or the veterinarian practice, and to hold party liable for compensation, while also simultaneously providing a copy of this report to the examination veterinarian and the veterinarian This report can relate only to the appearance on the date of practice.

7. The laws of the Netherlands shall apply exclusively to any disputes arising from the performance of the examination and/or the completion of the examination report, and the Court of the Netherlands shall retain sole jurisdiction to hear these disputes.

8. In the event of differing interpretations between the Dutch and English text of these conditions, the content of the Dutch text shall be decisive. examination: Signature of Client: Signature of examining veterinary surgeon:
